Multi-disciplinary imaging and outpatient center proposed for Chapel Hill

RALEIGH – UNC Hospitals has filed an application with the Certificate of Need Section of the N.C. Division of Health Service Regulation to develop a hospital-based imaging and multi-disciplinary outpatient center on N.C. Highway 54 and Finley Golf Course Road in Chapel Hill.

A public hearing for this project has been scheduled for 11 a.m. on Jan. 13 in the North Carolina Cooperative Extension Orange County Center, Carr Building, Food Lab, 306 Revere Road, Hillsborough.

The \$21.9-million proposed project involves the relocation of existing services and equipment and the addition of several units of imaging equipment. Services and equipment to be relocated include: an outpatient Spine Center with associated physical therapy services, one existing MRI scanner, one previously approved (but not operational) CT scanner, and one existing fluoroscopy C-arm. Additional equipment includes: two mammography units, two additional ultrasound units, one additional bone density machine, one additional fluoroscopy C-arm and three additional general radiography rooms. The proposed facility will accept patient referrals for imaging services from any physician or clinic.

Anyone may file written comments concerning this proposal. Comments must be received by the Certificate of Need Section no later than Dec. 31 at the following address:
